

Sorbenots Coffee

COMMUNITY SERVICE-REQUEST FORM

Baker City La Grande Ontario Pendleton Hermiston

If your school, organization, or civic group is having a fund-raiser or special event, perhaps we can help...Sorbenots remains very active with the support of our communities, especially those that benefit youth organizations or school functions. Complementary gift certificates, coffee, mugs, and other items are available to help your group reach their goals.

We are glad to help.

Due the high volume of requests, we are asking that all requests be made in writing. We will determine the best items to be donated for your event or fund raiser on an individual basis.

Your help in thoroughly filling out this request form will greatly assist us in getting you the item(s) that will best benefit your group.

All certificates are valid at any of our Sorbenots locations. The certificates themselves have no cash value and no change will be given during certificate redemption.
